Dear Sam,

Per your request, below is a brief description of our intent to film a portion of the television show S.W.A.T. at Helinet Aviation on Wednesday, December 19, 2018 between the hours of 7am and 10pm.

All of our filming activity will take place INSIDE the Blackhawk hangar at Helinet. We will build a green screen behind the Blackhawk with four of our main cast and two "pilots" (actors) inside the Blackhawk.

Our two S.W.A.T. team members will be armed with Prop weapons and gear. This is strictly a dialogue scene inside the cockpit with a green screen in the background. That's it.

We have been made aware that on the day of filming, VNY Airport Police Officers on site will perform prop weapons inventory.
